PREFACE

Price collection is one of the major items of work undertaken by the Department of Economics and Statistics. The importance and usefulness of the information pertaining to the price movements has much significance in the context of a growing economy. This Department has been collecting different types of prices viz. Farm price, Market price, etc. (both Wholesale and Retail). These prices are being widely used for various purposes such as for the preparation of Indices, to provide compensation to Farmers and for tendering consumable articles for Govt. Institutions. Among the Retail prices, the statement of daily prices of fifty essential commodities being collected on daily basis from District Headquarters assume significance, because it is being forwarded daily to the office of the Chief Minister and Minister of Food and Civil Supplies, Minister for Agriculture, Chief Secretary, Food and Civil Supplies Secretary, Planning secretary,, Department of Civil supplies, Reserve Bank of India, Consumerfed etc. In addition to the daily prices, weekly prices are also being collected every Friday.

From January 2004 onwards a publication titled "PRICE BULLETIN" is being prepared and published monthly incorporating the Retail prices of main essential commodities under 8 major groups. Group wise analysis has been made with reference to current month, previous month and the corresponding month of the previous year with suitable pictorial representations.
