ORDER

In the G. O. Read as first paper, orders were issued dispensing with the system of direct recruitment of L. D. Clerks in the Department of Economics and Statistics. The question of issuing an order specifying the posts in the Administrative wing of the department of Economics and Statistics which will be converted into the corresponding technical posts in the absence of persons for promotion to the posts in the administrative wing was therefore examined by Government in consultation with the Director of Economics and Statistics and Kerala Public Service Commission. After considering all the aspects involved in detail, Government order that the following posts in the Ministerial wing of the Department of Economics and Statistics will be converted into the corresponding technical posts noted against each, subject to the condition that the proposed re-designation of the ministerial posts should take effect in the case of each category only as and when a person from the category of compiler/Investigator or other higher categories posts on the technical side in the department is promoted to a post in the ministerial wing consequent on the dearth of qualified hands in the vanishing category of Clerks in the Department.
