# PANCHAYAT LEVEL STATISTICS

**Kollam District**

1996

Department of Economics and Statistics

## **Preface**

*Considering the demand for statistical information for decentralised planning, the State Planning Board and the Department of Economics and Statistics have designed many schemes to collect and publish data at Panchayat and Nagarapalika level. The most important scheme is a Socio-Economic Census under which a wealth of information regarding the Socio-Economic conditions of all households of Kerala numbering about 60 lakhs will be collected. The scheme for the collection of Agricultural Statistics in the State is also redesigned to generate data at panchayat and municipality level. The results of these exercises will be available only after one year.*

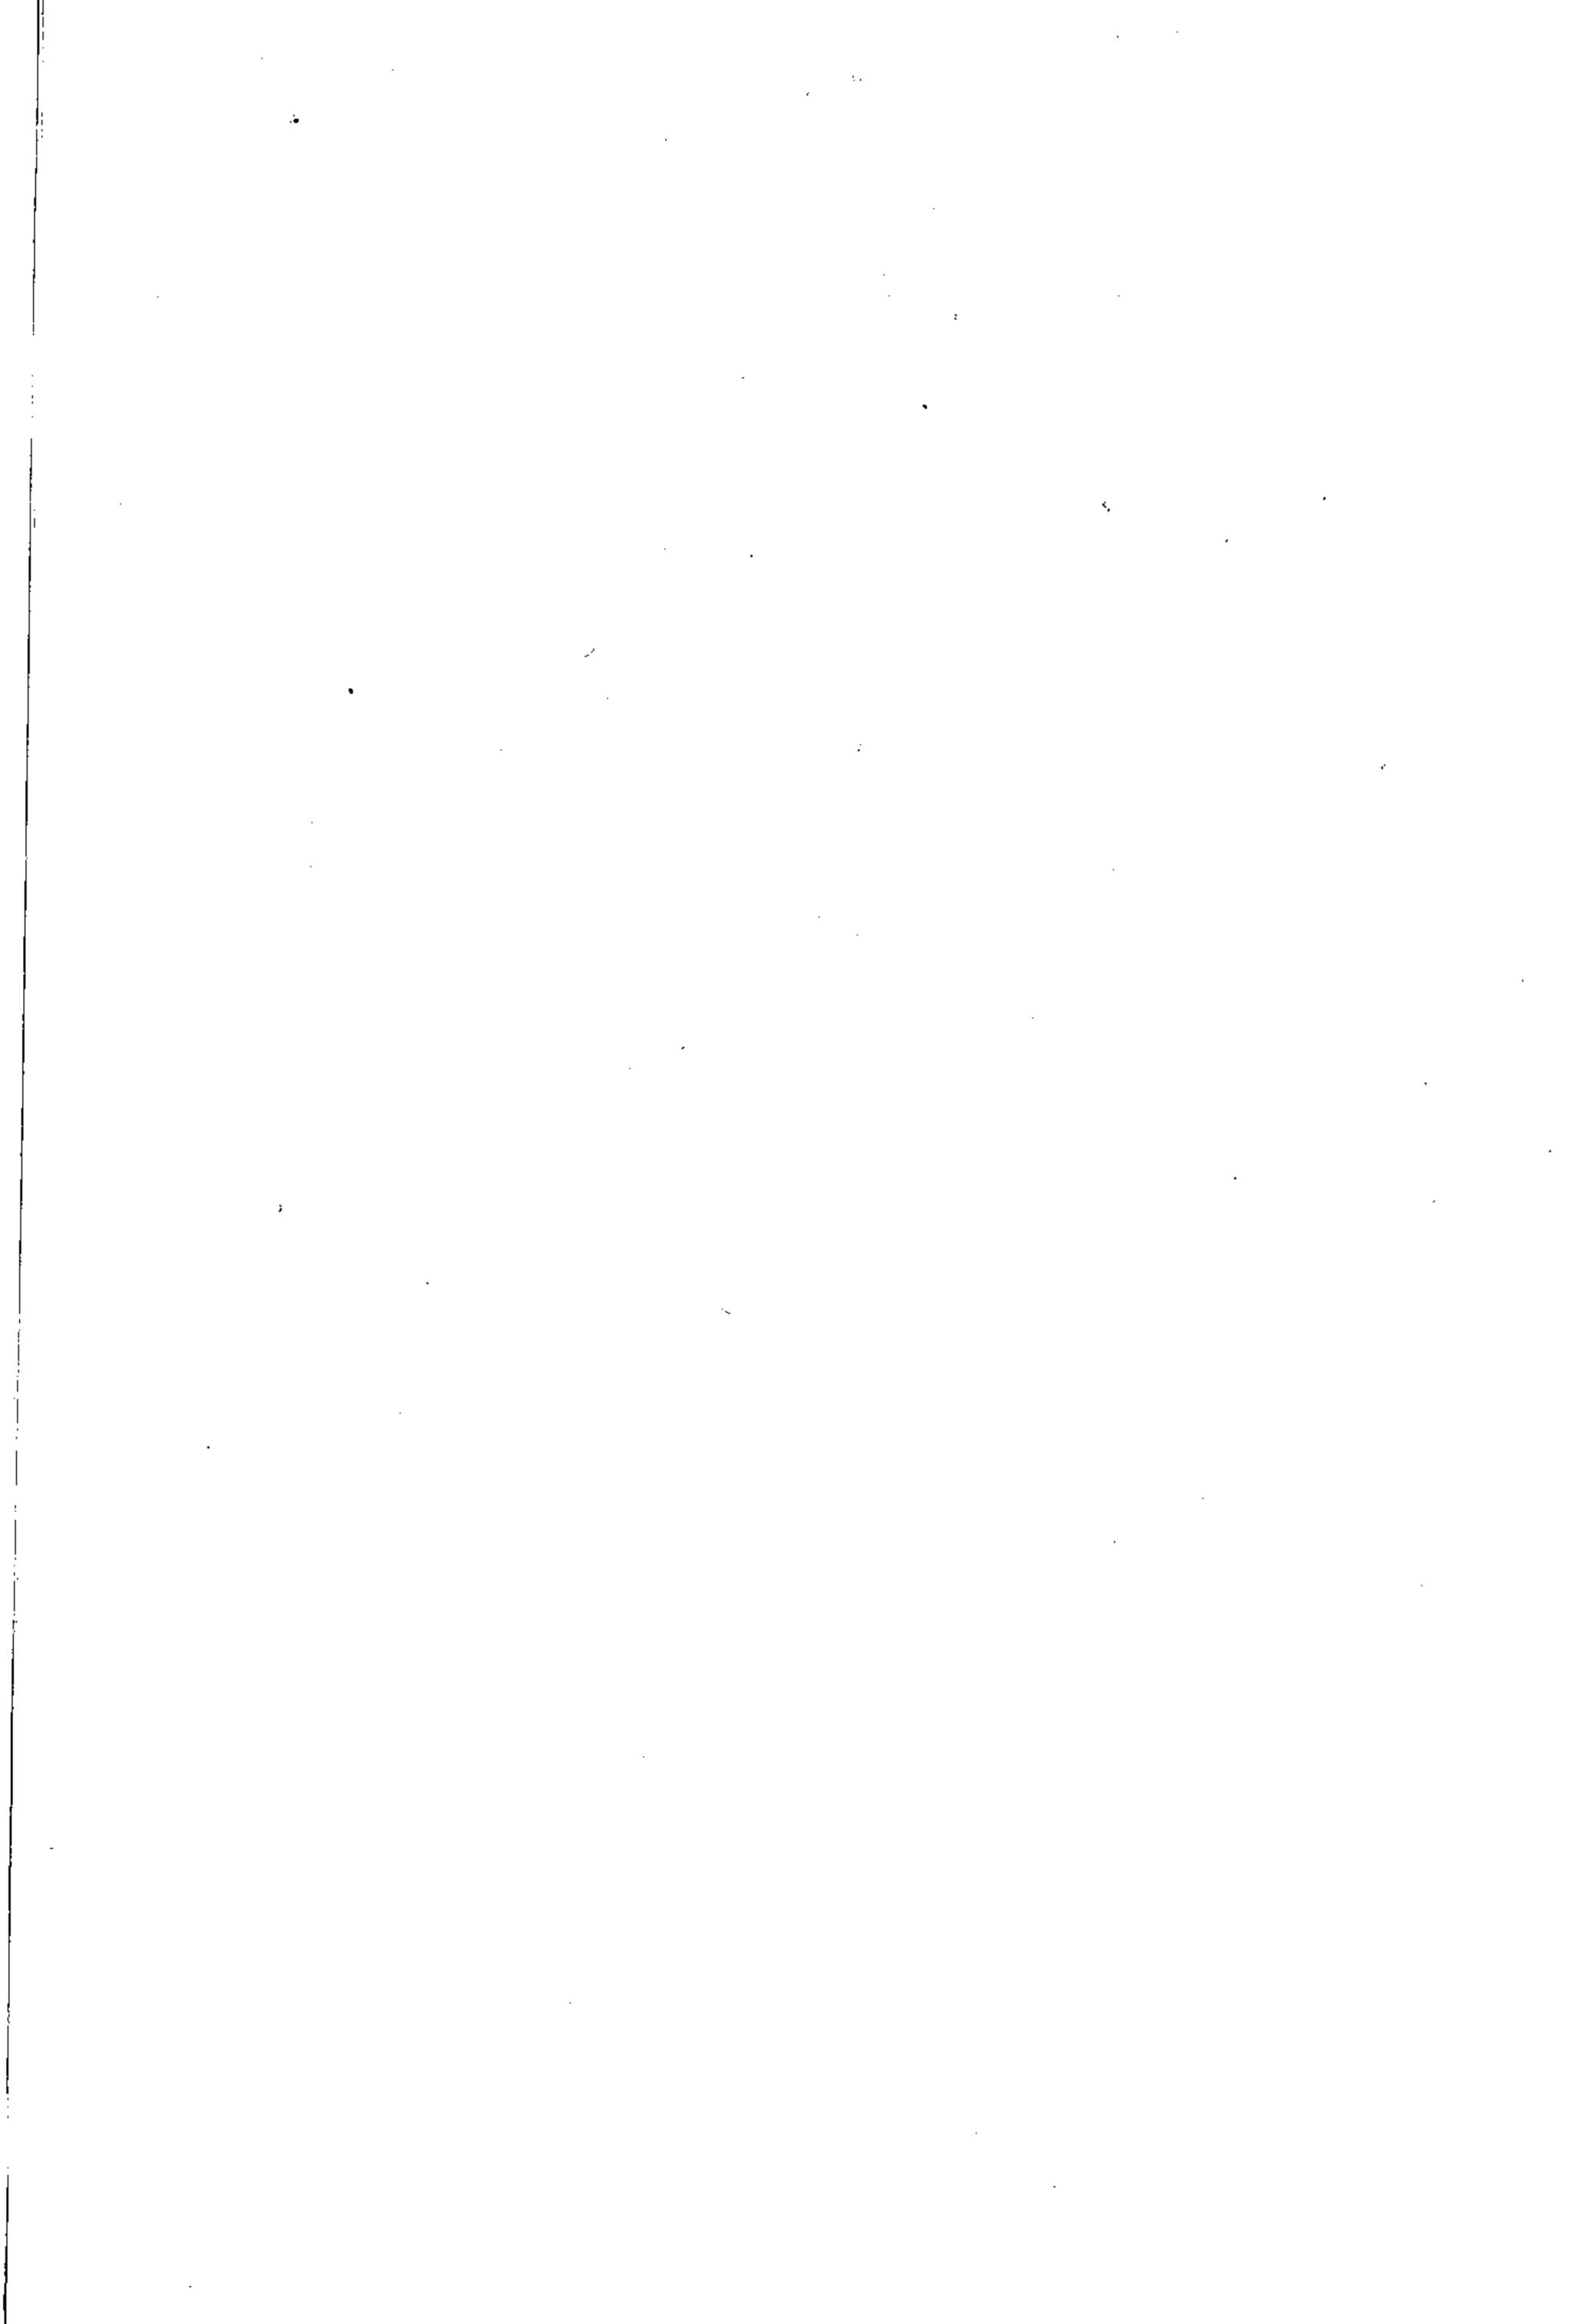

*Meanwhile the Government of Kerala conducted the panchayat and municipal elections and the newly elected local committees assumed power. To enable the newly elected functionaries to study the local resources and to start planning process backed by statistical information it was decided to document the available data from various sources in a single publication at District level. This report for Kollam district is the twelfth in the series.*

*This report was prepared by Sri E. Hanneefa kutty, Research Assistant and staff of the District Office Economics and Statistics Kollam under the guidance of Sri. N. Vijayan, Deputy Director and Sri. M. Shahul Hameed, Research Officer. I hereby acknowledge the valuable services of Sri. M. Madhavan Namboodiri, Assistant Director and Smt. S. Leelamony, Research Officer and staff in the publication division of the Directorate for finalising the tables.*

*It is hoped that this publication would be of considerable use to the planners at panchayat/municipality, block and district levels and others interested in decentralised planning.*

Thiruvananthapuram  
1st March 1996

**Dr. M. Kuttappan**  
Director

**Note:** 1. In the case of certain blocks if small portions happened to be in adjacent districts details of such positions are included in the respective block with major portion

2. Total area of the blocks and municipalities does not tally with that of district because area of the former is given by Director of Survey and Land records and that of the latter is supplied by Surveyor General of India.
