This is the fourth issue of the Quarterly Bulletin for the Kerala State.

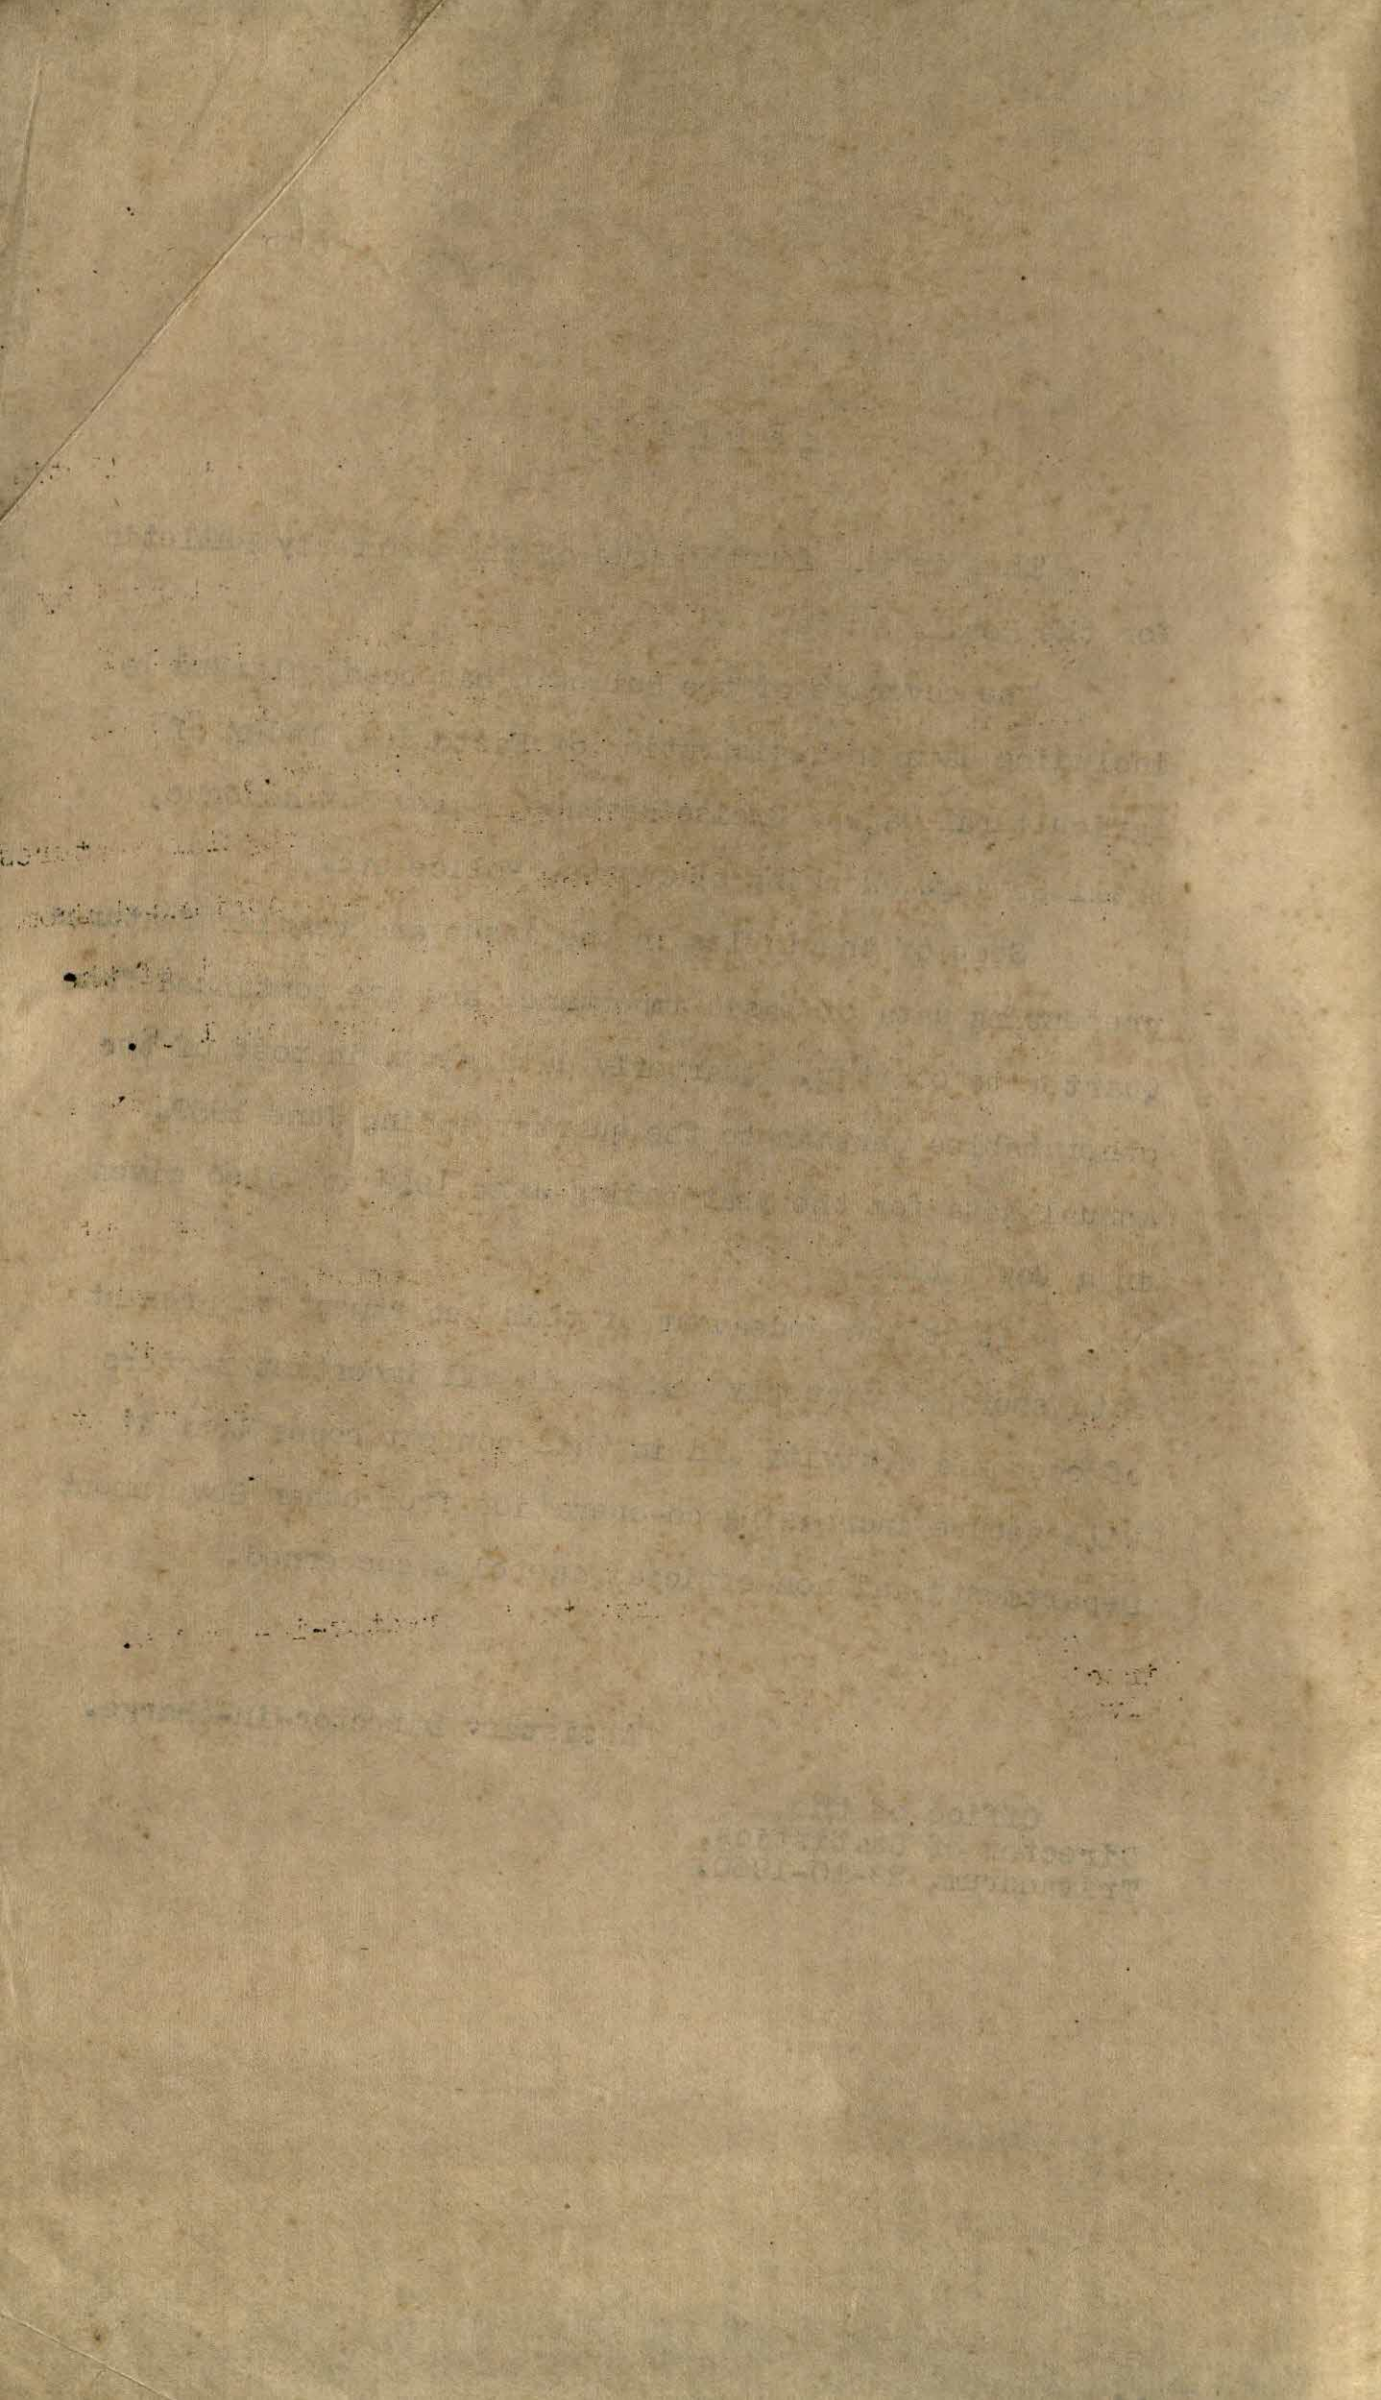

The coverage of the Bulletin has been enlarged by including data on Registration of Factories, Index of Agricultural Wages, Excise Revenue, Sales Tax Revenue, Small Savings, Working of Courts, Police etc.,

Some of the tables in the issue are regular features presenting data of basic importance and are continued from Quarter to Quarter. Quarterly data given in most of the other tables pertain to the quarter ending June 1959. Annual data for the year ending June 1959 are also given in a few tables.

It is the endeavour of this Department to present data showing quarterly changes in all important sectors of economic activity and in this context hopes that it will secure increasing co-operation from other Government Departments and non-official agencies concerned.

Assistant Director-in-charge.
