ABOUT THE BOOK

This book has been prepared by the District office Economics and Statistics Wayanad. It makes an attempt to provide a reference book of statistics of Wayanad District. This book is an outcome of the inspirations and directions of Sri. M.R. Balakrishnan, Director of this Department. First step in the collection and publication of statistics at District Level- Wayanad under this Department started in 1981 in the name of District Census Handbook, Wayanad. Now we have tried our best to include the latest statistics related to this District. I am sure this will be a great asset to the data users, planners, and researchers.

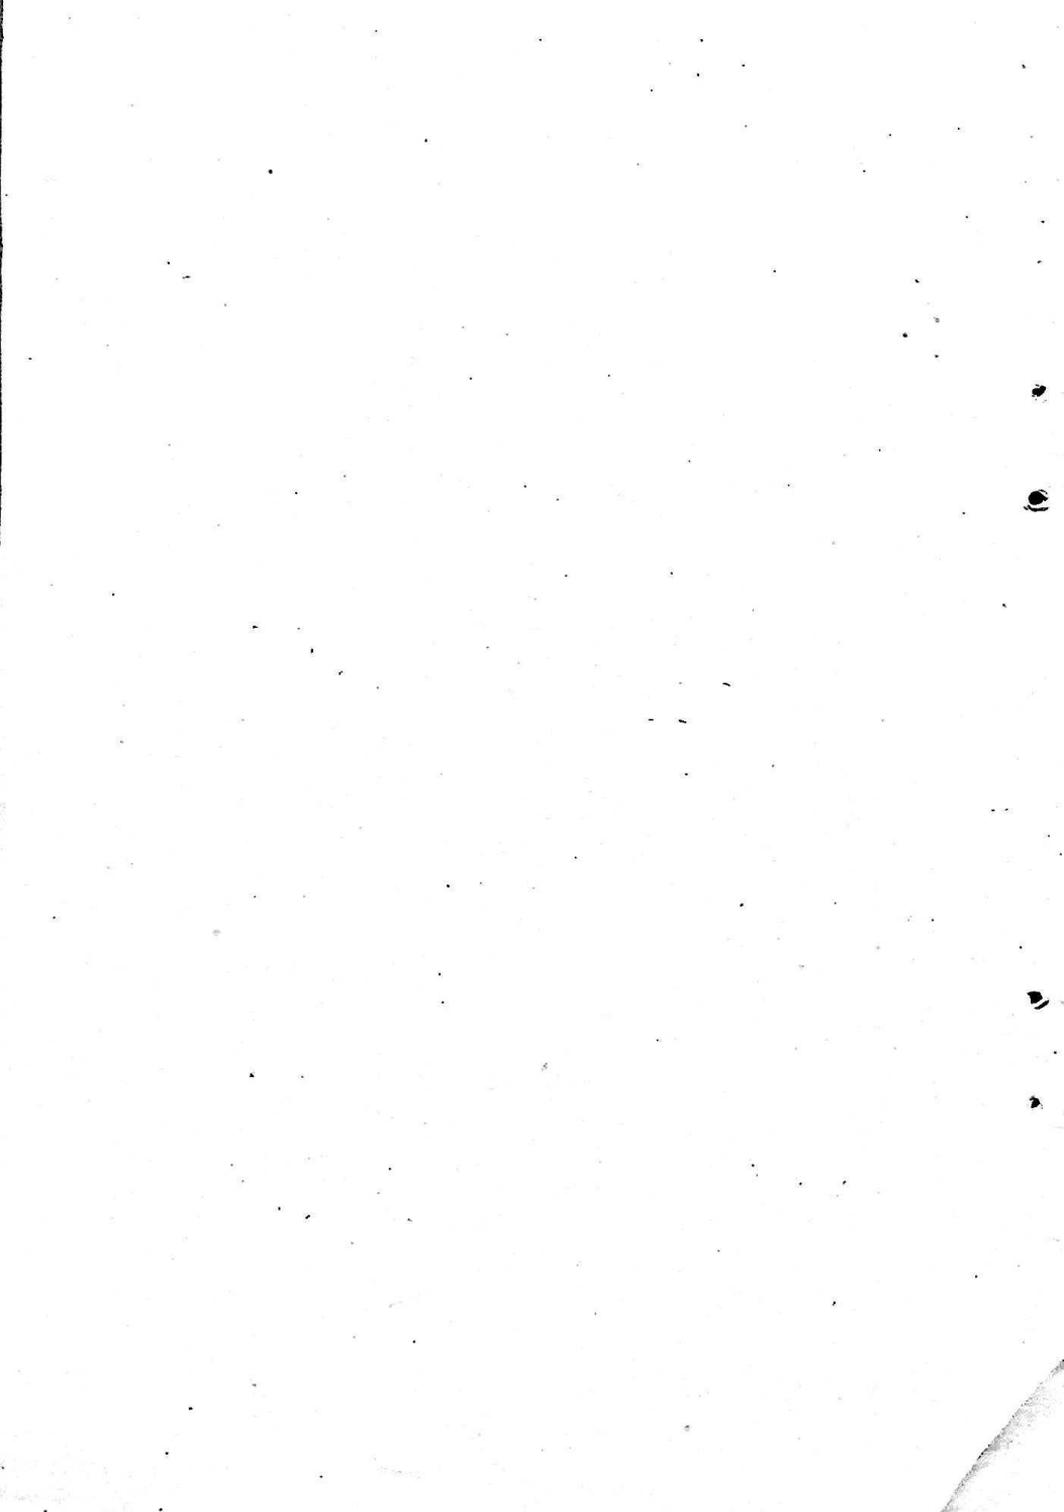

I express my sincere gratitude to all staffs of my District Office, who have dedicated their office and spare time for the collection and compilation of the data.

I also express my sincere thanks to the District Heads of various departments of this District, who have supplied the data in time for the publication of this handbook.

I hope this handbook will give an overall idea about the socio-economic scenario of this district.
