ABOUT THE BOOK

This book has been prepared by District Statistical office, and it makes an attempt in providing a reference book of statistics of Kollam district. This work was initiated as a result of suggestions made by Honorable Minister of Labour Sri P.K. Gurudasan and the District Collector Sri B. Srinivas on the occasion of Golden Jubilee celebration of Kerala State formation

Statistics regarding various parameters is vast and dynamic and any attempt to explore whole territory of statistics in a small book and that too within a short duration of 2 months was very difficult. However, by the unanimous effort put in by the entire staff of this office helped a lot to accomplish the job in time. Utmost care has been taken to avoid mistakes and all attempt have been made to include the latest statistics in the handbook from various departments in the district and from the Directorate of Economics and Statistics.

I express my sincere gratitude to all the staff of this office, especially to the Additional District Officer Smt. R. Vasanthakumari, who has co-ordinated the work of collection of data, compilation, tabulation etc. along with Sri V. Salim babu, Research Assistant of this Office.

I also express my thanks to the District Heads of various departments, for helping us by providing required data in time.

I hope this book will give an overall idea about the socio economic situation of district.
